

# I WANT **YOU** TO JOIN UAHU!

## Fighting for America's Employer Based Health Care System

**UTAH ASSOCIATION OF HEALTH  
UNDERWRITERS**

### **WHY SHOULD YOU JOIN UAHU AND NAHU?**

It's simple. The reason UAHU and NAHU exists is to protect you, the professional agent, to promote our members as insurance professionals, and to help our members develop as professionals through education and networking.

### **LEGISLATIVE ACTIVISM**

We pay for and support a full-time lobbyist who informs us of potentially hazardous bills. We work with our lobbyist and legislators to direct the course of legislation. We notify our members via email and fax of the legislation and it's possible effects upon our industry. UAHU members are respected for their expertise and knowledge on the issues. Because of this membership connection, UAHU members are empowered to discuss these issues with their clients and local representatives.

### **CONTINUING EDUCATION AND SEMINARS**

State Law requires that each agent accumulate 24 hours of CE, 3 of which must be Ethics. We provide 8 CE luncheons throughout the year as well as CE seminars. Some of these seminars are open to your clients. This gives you the opportunity to demonstrate your professionalism as well as provide needed training for your clients in the areas of HIPAA, COBRA, FMLA, and Section 125 Administration.

### **NETWORKING OPPORTUNITIES**

Our Luncheons, Seminars, Golf Outings, and Sales Congress provide opportunities to network with other professionals. Many long term friendships and business relationships can be attributed to UAHU membership. Our carrier partners participate in many of our events, they respect our endeavor of promoting professionalism, and they support our efforts.

### **SERVICE**

At the heart of our efforts is an attitude of service. UAHU promotes service to our members, clients, and community. There are ample opportunities to become involved in UAHU leadership positions. We strive to develop a professional attitude of service among our members and we have annual service projects that benefit charities within our community.

### **GET INVOLVED NOW**

We need you and you need us. Together we will continue the promotion of a noble and respected profession.
